# APRIL SHOW & SALE OF STORE CATTLE AND COUPLES

A lovely Spring day perhaps the reason for a bounce in the step of the Buyers and Sellers but perhaps more pertinently the reason being the Buoyance in the Livestock trade as it stands!

**COUPLES** – Sell to £330 per unit

A nice showing for the first Couples yarding of the year. Albeit more than disappointing that some people booked pens and didn't show on the day. A fair trade throughout with strong demand for best end Sheep and quality very much reflected in the price. Top call for the day £113 per life for Welsh Mule Hoggs with Singles from G Scrivens whom also sold to £110 and £100 for Cheviot Ewe Hoggs. Age Sheep well chased if showing condition and Alex Benton sold Texels 6 Teeth with Double Texel Lambs to £110 per life. Full Mouth Blue Texels with Doubles to £95 for G K Doyle whom continues to farm on at pace. Middle of the road flock ages generally £75 per life avg for all units over 150%.

**CATTLE** – Sell to £1530 at 24 months from Team Forrester!!!

The Spring Show & Sale for the Frank Riley Perpetual Rose Bowl as ever hotly contested and this year Judged by Steven & Sam Gawthrop, Cambridgeshire whom cast their expert eye across the Stock on Parade to eventually find their picks for the day. A wide and varied yarding to chose from it became evident that the Judges eye required ring presence and show quality as opposed to sheer scale. After much deliberation the Champion for the day being found in a super showy Limousin X Steer from JB HM & J Gilbert, Coventry. At 15 months of age this smart Steer showed huge presence and extreme width going on to sell to £1400. Reserve Champion stood as the Champion Heifer from Davis & Doody, Melton Mowbray whom showed a smart little 11 month old Limousin with huge ring presence and style going on to sell to £1300.

On into the yarding and Buyers struggling for Space to maintain the current COVID requirements. New buyers from far afield welcomed and pleased to meet genuine Farmers Store cattle competed for by genuine independent buyers. We started as ever with Breeders seeing In-calf heifers and Maiden Heifers to £1300 from Messrs Semple. Stock Bulls saw £1500 for a Limousin from Messrs Semple at 13 months whilst a shaped Limousin X from the days Champion Stable saw £2300 at 20 months of age. Store Cattle good to sell throughout with Bulls starting us off well at £1200 13 months from Heart of England Farms before we commenced the younger Cattle. First to the ring a return from Caroline Stephens selling Heifers at 11 months to £860 before the Warner Boys burst in to sell the Piedmontese they had cornered to £820 at 9 months of age and others £800 and £805. P Honour, Brill found his faithful following at ringside to meet his Shorthorn Cattle with a trade well above of expectations when selling to £955 for yearlings and many more £900. Sisters to the same £905. Messrs Semple rounded off a record Spring for them selling Steers to £1020 at 9 months with others £1000 and Sisters £970, £950, £940 and £910. Doody and Davis showed smart breeding and shape over size seeing Heifers £1300 at 11 months and others £1100 with Steers £1100 at 11 months and £1000 at 10 months. Shorthorns ever increasingly rewarded as buyers seek reassurances of an end user. This fact benefitted Frank Badger who sold great examples at 10 months to £990 for a pair with sisters to £965. Jane Gilbert then to the ring with a Champion taking £1400 at 15 months and younger yearling to £1140. J A Wrench very pleased with his sales venue when topping at £1100 for a pair of Steers 11 months others £1090, £1010 and £1015. Sisters to £1075 at 9 months. £1000 broken by W R Eales & Son with Simmental Steers at 11 months with sisters £1005 at 12 months. Strength from R S Beatty & Son, Meridan saw 13 month strength length and breeding worthy of any yard to take £1140 for a trio and £1145 for a pair with others £1100 and £1075. A very swift trade for Bucket sorts with young Angus from Amy Wright selling to £830 for a pair of Angus Steers at 10 months of age. R W Cross and Partners showed sheer scale of cattle

when selling to £1265 for Limousin Steers at 15 months and others £1230. Heart of England today exhibiting what carefully selected Genetics can do when selling 14 month old Steers to £1380 with others £1325 and £1250. Sisters to £1075. Aged cattle becoming a rare commodity nationally and well liked from J O Smith Ltd, Henley in Arden. Topping at £1460 at 26 months with Limousin Steers the consignment also boasted £1325, £1290,£1260, £1220 and £1200 with Heifers to £1215. Man of the moment, FE & CJ Barnett then defied the predictions of the expert valuers when selling his run of 52. Starting off with a blast a Blue Steer from this good Dairy family saw £1500 at 21 months with Herefords setting Sail to Suffolk at £1420. Angus saw £1370,£1330 and £1300 and large pens at £1280 with even the 17 month old sorts £970. Heifers well chased at £1210 for pens of 5 and others £1200 for Herefords with Angus regularly £1185 in pens of 10. Close Neighbour Brockhall farms kept pace at £1130 for Herefords at 24 months. £1220 and £1205 for Simmental Steers out of South Devons from Rob Milner at 19 months of age with South Devons £1200 and Heifers £1160 for Simmentals. A return to RFM for A J Forrester and a top price for his first beast to the ring when showing Limousin Steers to £1530 at 26 months in need of 90 days before seeing Simmental Steers £1330 and £1315 and big pens of 21 month old Blues to £1165.

Trade remains buoyant and Vendors cannot make a case to keep Store Cattle for the summer. The most pleasing point being the ability of this ring to attract ever increasing audiences of buyers.
