CATTLE: 34 FORWARD

A better entry of cattle sold to a better trade throughout on the week with a new face at ringside and resultant improved overall demand.

Prime Cattle (25).

The top price per kilo was £2.27 (£1385) for a quality finished steer from F Hodgkin, Avon Valley; Who sold another at £2.21ppk. This was also top gross at £1448 closely followed by a Lim steer from R & J Eyles at £1430 (£2/kg). A run of wholesale type heifers were well sold with the top at £2.25ppk from F Hodgkin, Avon Valley followed by R Ellis & Son at £2.12 and £2.10 the latter being top gross price Heifer at £1365. J & P Seymour sold a quality Blonde Heifer at £2.09ppk (£1233). Many more well fed Heifers and Steers of this type will be needed in the coming weeks to meet buyer demand.

Prime Bulls (5).

The first show of bulls for a couple of weeks were well sold. Top prices were £1.80ppk and £1.79ppk and £1071 from AE+AM Tacy.

Barren Cows (6).

The Cows now lead the sale but are back sold per kilo. This new system was well received last week by the buyers but improved numbers of cows are required from Vendors for the new enhanced buyer support. The cows forward were suitable for further finishing. Trade was similarly faster; as in the prime section and again as anticipated.

Top price of £936 was for a feeding Limousin Cow from NG+RA Hart. Top price per kilo was £1.49ppk from RWH Fenemore closely followed at £1.43ppk from DT+DJ Mann.

Cull Bulls (2).

A tremendous trade for stock bulls with a Saler from M/s Mann to £1186 (£1.04ppk) and a Shorthorn to £950 from M/s Fenemore.

We need to build numbers in all sections with enhanced buyer support pledged for all classes of cattle.

To provide an incentive for Vendors to consign top quality cattle, the commission ceiling of £35 per beast is to be reintroduced.

STORE LAMBS: 86 FORWARD

A very mixed show of store lambs, with very few runs of stores. Top price today from TH Morris & Sons selling to £92.50, with others to £92 and £90. Strength all over £75 with plenty of mid-range lambs £68-£74. Shape in high demand with same small shapely tup lambs trading around the £60 mark.

SPRING LAMBS: 2117

FORWARD SQQ 221P/KG

A good lift in number today to over 2100 lambs forward. Vendors working hand in hand with RFM to get best returns and therefore a yard dominated by Export weight lambs with heavies held for the eventual release of Lockdown. Trade for lean Export lambs as well as a huge demand for very light home trade city lambs. Heavies a better trade than the end of last week and everything competed for. Only the best end lambs with the heat turned down on them today otherwise trade throughout, an SQQ of 221p/kg returning a deadweight equivalent just under 4.80p/kg and 2020 trade continues to favour producers. Top today some very small but marvellous meat lambs for E C Parker seeing 31kg to 263p/kg whilst shape and weight at 41kg from DS & LE Wadland saw Beltex to 259p/kg who also sold 40kg to 256p/kg and AEJ & FJ Claridge 38kg to 253p/kg. Heavier lambs well chased seeing a top of 239p/kg at 46kg from D G Coombes, Burford whilst B C Burton saw 46kg to 225p/kg and Keith Crabtree 49kg to 224p/kg whilst Ben Burton's consistency continues to astound weekly seeing 46.5kg to 223p/kg. A yarding of lambs seeing vendors very rightly drawing what's needed and lacking hardly any weight still returning an all-in yard average of £93. In the lump Export weight lambs to a top of £106 for 41kg from Messrs Wadland with £104 for 43kg from K Crabtree and £103.50 for 44kg from G Woodard, Banbury. Overall a top today of £110 at 46kg from Roger Coombes with K Crabtree £110 at 49kg and equal money for 54kg from Roger Coombes. Plenty of lambs in three figures but sad to see that the premium for heavy lambs being curtailed by Corona and a lack of Catering trade. Transparent marketing the way forward though as witnessed by the large number of flock masters represented today.

CULL EWES: 886 FORWARD

A standard yarding in numbers but a lack of quality about. Perhaps the heat off the trade slightly but framed hard weighing Ewes now appearing as the weather turns. Todays avg £77. Charollais Rams £107 from G Fell and Texel x Ewes from B Wilson, Thrapston to £104. Suffolks harder to sell today but topping at £102 to Messrs Emery with others £99 from F Hodgkin, Suffolks generally £90 plus mark. Mules to £85 from R D Green with others £84 from Edd Hull, Essex equal with J Boulton also £84. Mules of meat generally £77 to £82 with lean half meat £68 mark. Little bad end ewes very swift in general.
