SHEEP: 2190 FORWARD

SPRING LAMBS:1296

FORWARD SQQ 248P/KG AVG £109

Short on numbers today with the Bank Holiday and 6 day standstill from Fridays Sheep Fair. Those forward again struggling for finish and trade harder to hold albeit we posted the days highest SQQ at 248p/kg. Lean lambs becoming very hard to place with Export very discerning and Kill out percentages plummeting to levels not previously seen, presumably a consequence of the weather. That said plenty of Buyers support and trade appropriate and well ahead of £5.30 on the hook. Top today a nice return from R Richins, Oxford with classy lambs to 281p/kg at 42kg ahead of John Barnett at 37kg to 278p/kg and smart lambs from IM Allen & Partners, Leicester to 276p/kg. R Richins 44kg to 273p/kg and G Woodard 41kg to 273p/kg. Heavies perhaps the easiest commodity to sell and well chased throughout. Top Humphrey Livestock at 265p/kg at 47kg with SM Ellingworth 47kg to 264p/kg equal with 49.5kg from R F Wilson and 50kg from MFH Farming. In the lump the job still totting up well considering a high number of small lambs to return an avg of £109. Top Export today 44kg to £120 from R Richins and 45.5kg from B C Burton to £120. R Richins £118 for 42kg and B Burton 45kg to £118 with G Woodard £118 at 45kg also. Heavies very well chased today topping at £147 for 66kg from RJ Batchelor and 62kg £145 from E Brain & Sons Ltd. £142 for 63kg from Messrs Batchelor with FJ Tombs & Son 57kg to £141 equal with RJ Osborn. Trade very acceptable but lean lambs becoming hard to market as continental Europe demand a higher class of lamb.

Suffolks a harder sell but on the whole a poor sample of Suffolk x Theaves with the best sold previously. Suffolks from MJ Woodward met £180 others £171 to £168 for stronger Theaves with lighter Theaves in the £160's. Jacob Theaves to £152.

HAWES BRANCH NEMSA SHOW & SALE

This year saw a bumper entry in the North Country Mule Show and Sale as the yarding now boasts the best quality of Mule available to buy in the Midlands and with the added advantage that all Sheep are sold on Concrete to avoid passage of Hoof issues between consignments. As ever the Show Sponsored by the Hawes NEMSA Branch and our Thanks to all the Sponsors as listed below.

Special thanks to this years Judges; Mr Fairburn, Wenslydale representing the North and Mr Sparey, Ross on Wye representing the Midlands and South. Quality this year seeing another lift and the results are as follows;

J & H Tustian a star attraction to see £275 for a superbly powerful Champion pen being sold to Cumbria with his second prize sold to £222 to a young Cotswolds Shepherd setting up a new flock. MJ Harris Farming started a new venture this year to see a pen of sharp headed Theaves make £212 and £198 before young Z Collett took £221. A fine run from Jon Joe Morris with lamed Theaves seeing real interest in his pen. Topping at £220 for his best Single the pens full made £213 and £206... Trade very much favourable. In years of such buoyancy it is essential that we ensure Vendors and Buyers are left with profit. The hard work of the Vendors has this year been well rewarded and those taking the time to present sheep will have received over £10 per head financial benefit for dipping and presentation. Buyers though must now lamb and farm their Purchases for the next year. We wish them all good fortune and the continued Buoyancy of the Industry from which we all are invested and take our livelihoods from.

NSA RAM SALE: 122 FORWARD

We entertained the NSA (Eastern Region) Ram show and sale here at Rugby on Friday with entries from far and wide across the Region with farmers from Suffolk & Norfolk down to Kent.

The quality of Pedigree Rams that were present were of a high standard and only a couple weren't eligible for the show. We had two respected inspectors within the sheep industry in Carol Barber and Charles Sercombe and likewise our Judge David Inman from Thorpe Satchville relished the challenge and did his job extremely well and decided Messrs AD & RM Thomas Lutterworth deserved the champions prize for his Charollais Rams (other results at bottom).

The Charollais were well represented with 85% being sold and Charles Sercombe topping the day at £798.

The best prices on the other breeds were Texels realising £693 for VJ Roots who also sold his Suffolks to £588.

I would like to take this opportunity to thank the NSA and all the entrants for making this show and sale a success and hope to see you all next year.

Home baking – Fruit Cake

Ingredients:

10oz (275g) currants	4 large eggs
6oz (175g) sultanas	2oz (50g) whole almonds, chopped
6oz (175g) raisins	1 scant tablespoon black treacle
4oz (100g) glace cherries, quartered	grated rind of 1 lemon
4oz (100g) ready to eat apricot, snipped into pieces	grated rind of 1 orange
2oz (mixed candied peel, finely chopped)	
3 tablespoons brandy	To finish:
8oz (225g) plain flour	Brandy to feed
¼ teaspoon grated or dried nutmeg	
½ teaspoon mixed spice	
8oz (225g) soft margarine or softened butter	
8oz (225g) dark muscovado sugar	

Method:

Begin this cake the night before you want to bake it. Measure the prepared fruits into a large bowl, mix in the brandy, cover and leave in a cool place over night.

Pre-heat the oven to 140° /275°F/Gas 1. Grease and line an 8in (20cm) deep round cake tin with a double layer of greased greaseproof paper.

Measure the flour, spices, margarine or butter, sugar, eggs, almonds, treacle, lemon and orange rinds into a large bowl. Beat well to mix thoroughly, then fold in the soaked fruits. Spoon the mixture into the prepared tin and spread out evenly with the back of a spoon.

Cover the top of the cake loosely with a double layer of greaseproof paper.

Bake in the pre-heated oven for about 4-4 ½ hours or until the cake feels firm to the touch and a skewer inserted into the centre comes out clean. Allow the cake to cool in the tin.

When cool, pierce the cake at intervals with a fine skewer and feed with a little brandy. Wrap the completely cold cake in a double layer of greaseproof paper and again in foil and store in a cool place for up to 3 months, feeding at intervals with more brandy.

Leave undecorated.
