CATTLE: 68 Forward

In Rugby Auction Mart on Monday 6th January at 10am

Please do get in contact should you have any questions or require an on farm visit, I, Andy Armstrong have many abattoirs looking to Rugby Mart to purchase all prime clean cattle, prime bulls, cast cows and stock bulls. I am needing more numbers in order to attract the purchasers. If you have prime cattle and are sitting back watching waiting to see the rise in numbers, please press forward, call me and present cattle in Rugby, were there are over 30 active accounts creating demand and a true and fair price, be part of the rise of the prime and cast sections. Liveweight cattle sales play a huge important part of the values within the industry, the independent abattoirs support the auction system, without these independents there is no competition for the larger predominantly deadweight processors. !!!!sell live and thrive!!!!

There was a show presented for sale of 73 Prime Cattle consisting of 39 Heifers, 24 Steers, 1 Prime Bull & 10 Cast Cattle.

The first Prime Sale of the 2020 got off to a buoyant start with all buyers ringside keenly and freely challenging one another to purchase their required goods.

Top price per kilo clean beast was 232p for a Limousin Heifer that realised £1209 consigned by PM Jarrom of Oback Farm Leicester purchased by Mr D Grant on behalf of Joseph Morris Butchers, Walnut Tree.

Lead grossing heifer realised £1297 for a Limousin it was consigned by MW Emery of Hill Top Fm purchased by Joseph Morris Butchers

Lead grossing steer realised £1333 for a Limousin consigned by GR Fountaine & Son, Hill Fm purchased by M Etherington on behalf Ralph Pearson Wholesale Butchers.

Many more cows can be sold. All classes of cast dairy cows are catered for. Should you be under TB restriction please do call, we are now looking to market your prime cattle and cast cows on a deadweight service. There is no class of beef animal we cannot market.

Andy Armstrong on 07902 316268 I am within the Midlands from a Monday to a Wednesday, I am on the mobile 24/7. Looking forward to speaking and visiting you soon.

Calves

50 + Calves expected next week

SHEEP:3562

Prime Hogs:2480 Forward SQQ 214p/kg

The first venture into the Hogs and a yarding of just shy of 2500 Hogs forward. Benefitted by the extended dry period, lambs presented better today and the many belly clipped lambs selling to a premium. That said a poor yarding of lambs in the generality today with many consignments clearing up for the year and only the first few feeding men starting to arrive. Trade though very fast and miles ahead of prediction when referencing to deadweight quotes. In truth the Sqq today of 214p/kg could have another 5p attributed to it with last weeks show of lambs. A continued theme that the best end lambs continue to encourage the greatest audience. Another Abattoir owner at ringside bringing the buyer number to 11 this week. Top in the Euro lambs today to 277p/kg for Beltex at 39kg from R Richins, Oxford who also sold 43kg to 260p/kg. 37kg shape from Richard and Judy Fountaine 259p/kg and J Wallis, Blakesley 40kg to 256p/kg ahead of W G King & Sons with overnight Texels at 44kg and 250p/kg. Heavy meated lambs again wanted selling to 228p/kg at 46.5kg from J Rutter & Son with others at 47kg 226p/kg. White Brothers, Atherstone back into the fold to take advantage of the end users at ringside when taking 220p/kg at 46kg. In the lump Euro lambs totalling £112.50 at 45kg from R Woodward, Langley with £112 at 43kg from R Richins and £110 for 44kg from W King, Aylesbury. Overall a top of £116 for 62kg from DJ & BJ Leadbeater. RAE Wilson saw 60kg to £112 and H L Goode & Son, Hockley Heath £112 at 59kg. Heavies a fine trade throughout with mostly all cutting lambs at best. Vendors should note little appreciation in value on lambs over 54kg and look to sell at optimum weights to avoid feeding unnecessary weighted lambs.

We now move to a period of Flux as the Post Christmas wobbles are dealt with. Please liaise with our Marketing team over the week. **STARTING THIS WEEK. SUNDAY NIGHT LAIRAGE WILL ALLOW DELIVERIES PRIOR TO 4PM ONLY.** This will allow the sorting and penning of sheep. From this week overnight Lairage will dictate compulsory belly clipping for all slaughter sheep. This is charged at cost at 60p per lamb, bedding and penning is free. Cull Ewes are to be charged at 50p for overnight lairage.

Cull Ewes: 757 Forward

Simply flying start to finish and the £89 avg a very poor reflection of trade with the yarding of 760 the poorest quality for some time. Trade though blistering with a new buyer travelling from Derbyshire and surrendering after only 10 pens without a purchase due to the trade. A reactive trade only with it in no way sustainable but none the less a nice start to the year. Tups top today to see Hyde Lane Farms at £150 for Texels just ahead of Ringer Farms at £148 and others from Hyde Lane £146. Charollais from John Goodman, Thame saw £142 and £137 for A J Breakspear, Banbury. Top Ewes today to £136 from N Faulconbridge for nice Ewes but no show stopping Ewes to be had today. Suffolks to £136 from Roy Turner with anything weighted selling £125 to £135 seeing Mule Texels to £129 from J Boulton. Mules topping today for a monster from Mark Lambert at £125. Suffolks generally £115 to £120 and Mules generally £90 to £100. A massive trade throughout and vendors are Thanked for reacting to the Market Text for extra numbers on the morning. The great thing about Livestock Marketing is the immediate response to Demand and today shows when they need them trade will respond.

Store Lambs: 325 Forward

Simply blistering. No end of stores over £70, with very very few sold under £60. Top today from TH Morris & Sons with Charollais x to £81, with DB & SM Gamble to £80 for Suffolk x. Short term lambs £78-£81 with the better end of the mediums £73-£75. Harder bred medium lambs around the £70 mark with growing lambs £62-£65 and these looking absolutely rocking! A handful of long term sorts £52-£57. More needed weekly.
